President's Foreword

The Inter-Federation Competition and Exhibition for 2024 was judged on Saturday 15th June organised by the Midland Counties Photographic Federation and hosted by the Smethwick Photographic Society at their Smethwick Clubrooms. The competition was for Prints only in three categories, Monochrome, Colour and Nature. Fourteen Federations submitted prints in each section, resulting in a total entry of 402 Monochrome prints, 405 Colour prints and 389 Nature prints.

My thanks go to the host Federation for their help and hospitality, together with the Judges Jane Lines

LRPS MPAGB BPE5* (L&CPU), David Gibbins ARPS CPAGB/AV EFIAP/b BPE5* APAGB (N&EMPF) and Mike Sharples ARPS MPAGB EFIAP MFIAP FBPE (MCPF) for their hard work assessing the entries.

Special thanks must also go to the Chairman of the Inter-Federation Competition & Exhibition sub-committee Judith Parry DPAGB AFIAP HonPAGB and to our sponsors *ceewe* for supporting the event this year. Congratulations to The Lancashire & Cheshire Photographic Union, the top scorer of each section and to all those who gained an award and had their work accepted in this year's Exhibition.

Daphne Hanson DPAGB HonPAGB
President - The Photographic Alliance of Great Britain

Acknowledgements

I was pleased to again receive entries from 14 of the 15 Federations, all of whom submitted entries in all of the three sections.

Hosting of the event was undertaken by the MCPF after the WPF was unable to secure suitable accommodation for the event. I would like to express my thanks to the MCPF Council members who put in so much effort to make the judging day run so smoothly. Also I would like to thank the members of Smethwick PS who looked after the catering on judging day.

Selection was in the very capable hands of David Gibbins ARPS EFIAP/b BPE5* APAGB, Jane Lines LRPS MPAGB BPE5* and Mike Sharples ARPS MPAGB MFIAP EFIAP FBPE, who selected a great exhibition. At the time of writing there are only firm bookings for the showing of the exhibition at Smethwick PS and in the L&CPU, but the exhibition is being made available in un-mounted form for Federations to use at suitable events.

Meet the Judges

Jane Lines LRPS MPAGB BPE5*

I have been enjoying Photography as a serious hobby for over 15 years and gained my MPAGB in 2014.

I like all genres of photography, and enjoy viewing other peoples photographic work and gaining inspiration from both photography and art alike. Although I will shoot all genres of photography, I particularly enjoy photographing people, whether they are found while travelling, at events or in the studio. I equally enjoy processing the images afterwards to develop the narrative, using anything from single images to complex composites.

I am currently the President of Chorley PS, a member of both the L&CPU and PAGB Executives, and a Lecturer and Judge at Club, National and International levels.

With a love of prints and also being a Fotospeed Ambassador, I immensely enjoyed Judging at the Inter-Fed (in its print only format), and the final Exhibition selection and was pleased to see that although the largest part of the Mono and Colour entry was of people photography, that there was also some excellent photographs offered from a wide variety of genres.

David Gibbins ARPS CPAGB/AV EFIAP/b BPE5* APAGB

Photography has been my main hobby for 40 years. I am currently a member of Beeston (Notts) Camera Club, Print Project Group (specialising in monochrome prints) and East Midlands Audio Visual Group. I have been a judge and speaker since 1984 and have been on the Photographic Alliance of Great Britain (PAGB) senior Judges List for over 25 years.

I have served on the Executive Committee of the North & East Midlands Photographic Federation (N&EMPF) since 1985 and have been President twice. I have held several positions and I am currently the Audio-Visual Competition Secretary. I am currently the Vice-President of the PAGB.

Judging gives me my greatest personal satisfaction, whether it is a club competition or an international exhibition. It can be a challenge but at the same time I feel honoured to be invited to comment on somebody else's work and hopefully provide positive encouragement.

The Inter-Federation print competition provides some of the best print work from each of the Federations and it was very enjoyable to see all of the work entered. There are some very strong images in the final displayed exhibition.

Mike Sharples MFIAP MPAGB FBPE ARPS EFIAP (12 FIAP Blue Badges)

Mike Sharples photographic journey started some 55 years ago when, at 16 years of age, he acquired his first camera. Mike began by taking many photos of family and friends both at home and on holidays, sparking a passion which is still with him today.

Mike enjoys the complete spectrum of photographic subjects including Landscape, Environmental Portraits, Sport and Natural History.

Mike has always been motivated to produce the best quality images, making the picture as appealing to the viewer as possible, to develop images with creativity and sensitive use of form and light, also evoking emotion, to create a story within the image and to capture decisive moments.

Mike improved his knowledge by enrolling on several educational photographic courses, which gave him detailed knowledge of both photographic processes and an appreciation of the history of photography and some of the world's iconic photographers.

Mike has been a member of Smethwick Photographic Society for 38 years, many of them spent on the Club's Committee and he has served as its President on two occasions, being also a member of the Executive of the Midland Counties Photographic Federation and currently being its President. He has over the years been involved in organising and taking part in both the clubs and wider Federation activities.

He has also been a member of the Royal Photographic Society for some 25 years, and was the Central Region, Regional Organiser for some several years.

Mike enjoys Judging and Lecturing and is listed on the official lists of both the Midland Counties Federation and the Photographic Alliance of Great Britain, being involved in judging competitions at local, regional, national and international levels and being a panel member for the PAGB Awards for Photographic Merit as well as presenting lectures to clubs across the UK.
