foreword

The PAGB organises national events and competitions for more than 1100 camera clubs with over 40,000 members.

PAGB policy is to encourage photographic prints and we wanted to show the world how good amateur photography can be. Having been generously offered the use of the RK Burt Gallery, we launched the "Masters of Print", asking club members to submit their very best prints.

Now in its second year, we were looking for interesting content, imagination, diversity of subject and technique and pictures created with love. Our judges and selectors were ruthless in their pursuit of our objectives and many great photographs and many excellent photographers did not make the cut.

Just 60 prints are displayed, some of the best amateur photography from the UK, and I'm sure every visitor will find one they won't forget.

Rod Wheelans MPAGB HonPAGB, Organising Chairman

welcome

Welcome to the second Masters of Print exhibition, showing the very best of 'amateur' photography in Great Britain today.

This is the culmination of a lot of hard work by a dedicated team from the Photographic Alliance of Great Britain, under the chairmanship of Rod Wheelans, and to all those people, a big thank you.

I must thank the judges Rikki O'Neill FRPS MPAGB, Jane Lines MPAGB BPE5 and Mike Sharples MPAGB ARPS EFIAP and Clifford Burt of RK Burt & Company Ltd for use of their magnificent gallery in London.

A special mention this year to the printers, Briggs Brothers (Silsden) Ltd, for their help and for keeping to the tight schedule to produce the catalogue.

The Photographic Alliance of Great Britain is forever indebted to our sponsors for giving such generous prizes and for embracing the Master of Prints so enthusiastically.

Please enjoy the exhibition.
