

FIAP DISTINCTION RESULTS FOR 2026

Howard G Tate MA ARPS AFIAP HonPAGB FIAP Liaison Officer – PAGB

Covid dealt a slow blow to the number of applications for FIAP distinctions over the last few years but this year this decline has been reversed dramatically. This is especially significant when considering the recent changes in distinctions requirements becoming more onerous at some of the levels in the distinctions classifications. Readers will note the introduction of new levels from 2026, these being an extra 5 Diamond levels and the introduction of the Novice (bad choice of name in my opinion) NFIAP as a starting point, which can be bypassed by applying directly for AFIAP.

Our 2026 submission of applications for FIAP Distinctions from the PAGB was again one of the largest from any country in the world, with a total of 112 successful applications, including 15 EFIAP Diamond Distinctions. The PAGB offers its sincere congratulations to every one of our successful applicants for this superb result, not only for you all, but also for PAGB.
